

Help Us Buy 159 Warm, Wool Blankets for Tenchet Village, Nepal

A landslide, triggered by the May 12th earthquake, completely destroyed Tenchet Village.

Tenchet Village of Dhading District was completely destroyed by the earthquakes of April 27th and May 12th this year. The second earthquake triggered a landslide that completely wiped out the village. The earthquakes destroyed the church, 53 homes, the school, the medical outpost as well as the centuries old terraced farms.

Tenchet Village was one of the first Christian villages in the Ganesh Himal Range of the Himalaya Mountains. This is a remote village that overlooks the Ankhu Khola River Valley. There are no roads to this village, and is accessible only by foot trails. It is in keeping with the traditional mountain villages of the region.

RENAISSANCE OUTREACH MINISTRIES is teaming up with HIMS-Nepal, a local Christian NGO (non-government organization) to raise funds to purchase 159 blankets for the residents who are now beginning the work of reconstruction. **RENAISSANCE OUTREACH MINISTRIES** they rebuild their church, houses, school, farms and medical outpost. They desperately need warm blankets before the winter snows begin to set in. Cold weather is already

starting to come at night and by December, winter snows will be upon the Himalayas.

Warm, thick wool blankets are being purchased in Kathmandu by HIMS-Nepal (a government registered NGO) and cost \$37 each. Donations can be sent to **RENAISSANCE OUTREACH MINISTRIES** at P. O. Box 121, Greentown, IN 46936. Please mark "blankets" in the memo line of your check. You can also donate via PayPal online through our web-site.
